## **Safety Guidelines**

We are so excited to see you again!

We continue to follow all state and federal guidelines for maintaining a safe and clean environment against Covid. All vaccinated people are not required to wear masks inside our facility at this time and our lounge is now open. If you are experiencing any symptoms of Covid, please let us know before your appointment and we will reschedule you when you are feeling better. We appreciate your help and understanding in helping to keep our environment safe for everyone.

Thank you for your cooperation and understanding during this time. We appreciate your support with these guidelines.
